Good Morning Advisors!

We have had many requests for the BMITE Important Dates and this year it is READY for you before OK Summit. The BMITE team is ready to start the 23-24 school year with you all.

As far as BPA & DECA dates this is a list of dates that will not be changed unless there is a weather/emergency related need for adjustment. Deadlines are set and contracts have been signed. We apologize if an event falls on an inconvenient time for your school or community, but we hope that by receiving these dates early you can make arrangements as needed.

We will go over any additional dates that are not on the list at OK Summit. You will also receive a printed Oklahoma BPA calendar poster at the September 1st training.

Looking forward to seeing each of you in the BPA Updates Session on Day 2 of OK Summit.

Have a wonderful rest of the day!
