Importance:	High

Good Afternoon DECA Advisors!

Please find your advisor assignments at CDC attached to this email. You will notice some changes:

1. **Everyone reports between 8:15am and 8:30am and will work their room until all competitions in that room are complete**.
   We recognize that all of you have students with you and if the room is running efficiently and everyone assigned to help arrives on time to their assignment you will be able to still effectively assist your students throughout the day. Think less rooms, a simplified schedule, and more hands to help in each area. This should make the workload easier on everyone.

2. Event rooms have been modified upstairs – where you reported for events in the past might not be where you report this year.

Registration will be open as early as 7AM on 2/14 if you choose to pick up your packet on the day of competition.

Look for a couple more emails from me today and tomorrow as we prepare for CDC 2024.

See you soon!
