Good Afternoon!

Happy Friday! With the new year approaching our conference preparations are in high gear for the 2024 Oklahoma DECA State Career Development Conference.
This year competitions will be held in Midwest City on February 14th at the Sheraton Reed Conference Center.

As you know student conferences like ours require quite a few (100+) volunteers to create a successful event where students can showcase their talents, elevate their leadership skills, and compete to earn the coveted DECA glass. The top students will have the opportunity to compete internationally in Anaheim this April. We hope to see around 700 students competing at this year's state conference.

We would be delighted if you would join us in Midwest City on February 14, 2024 as competitive events judge.
