**Describe your involvement in activities, school related or otherwise, that do not necessarily involve leadership**

I am in the Latta High School FFCLA. I am participating in the art socialistic for Latta High School. I was in the Sulphur Singer (select choir) at Sulphur High School.

**200 Word Statement**

My name is Keegan Bellefeuille. I want to be a candidate for the DECA state office. I am a likable, friendly, and sociable person. I strive towards personal growth and love interacting with others. To me, I believe it is important to lead by example and model positive behavior for my peers to see. Being in state office would allow me to strengthen my interpersonal skills, build stronger relationships, and cultivate personal growth which would make me a stronger leader so I may provide better support and guidance to my peers and individuals in my community. It is a goal of mine to ensure everyone feels heard, and feels a part of the team.

**Social Media 1: How do you describe DECA to someone you meet in an elevator?**

DECA stands for Distributive Education Clubs of America which is an organization that helps 9th-12th grade high school students learn leadership skills that they can apply to their future careers.

**Social Media 2: What experiences have prepared you to be a DECA State Officer?**

## State Executive Council Candidate Application : Entry # 386

Being co-chair of the 5th and 6th grade entrepreneurship workshop, helping design the workplace safety coloring book cover, placing second place for Business solution at CDC, and being a student leader with STEM social media.

### Social Media 3: What accomplishment in DECA are you most proud of achieving?

The DECA accomplishment I am most proud of is being a mock trial artist finalist for Latta High School DECA.

### Social Media 4: How do you grow the membership of Oklahoma DECA?

I helped the membership of Oklahoma DECA grow by telling people about DECA and my group for Business solutions held a 5th and 6th grade entrepreneurs workshop where they got a small taste of DECA.

### Social Media 5: You have the ability to add something completely new to Oklahoma DECA, describe it.

I would add an official OK DECA TikTok account. TikTok is a very popular social media platform that could allow us to reach more members, educate, inspire, engage our members in fun challenges, and build a stronger community.

### Social Media 6: Why should people vote for you?

If you are tired of not being heard or being ignored you should vote for me because it is my goal to make sure every voice is heard and to take all opinions and ideas into consideration.
