Describe your involvement in activities, school related or otherwise, that do not necessarily involve leadership

Leadership actives come in every shape and form there nothing more challenging than leading a group of elementary cheerleaders. Working with 5th and 6th grade students in the enterperneuarship project was very rewarding. after working with 5th and 6th grade enterperneuarship project we where very impressed with there drawing.

200 Word Statement

State Executive Council Candidate Application : Entry # 380

My DECA story began a long time ago when I was just five years old. My two sisters Shane and Shale moved to Latta in 2008 and attended CDC and ICDC. As a child I attended state CDC twice and ICDC in Florida. I've grown up wanting to be a DECA member all my life. In 2020 when I moved to Latta and my dream came true and I was not only a DECA member but I was also a BPA member I was very disappointed when they told me all the conferences would be virtual. So I worked hard to make our virtual experience like a real conference for the other members who had not been to an in-person conference. We agreed to have all of our conferences at Crosspointe with a really cool youth room. I worked a deal with my uncle to get every member at 2021 Fall Leadership free sno cones. I chaired a committee that made CDC and ICDC extra special for all Latta DECA attendees in 2020-2021. It is this type of enthusiasm I want to bring to the Oklahoma DECA State Executive Council in the DECA year 2022-2023.

My goal is to serve Oklahoma DECA members as a state officer. Thank you Oklahoma DECA for giving to me and now I want to serve you. Attending the Oklahoma CDC this year was the experience I had remembered and more.

Social Media 1: How do you describe DECA to someone you meet in an elevator?

DECA is an amazing organization. It is based on marketing management. DECA is about meeting people, traveling to amazing conferences, and building relationships. Deca is about setting goals and accomplishing them.

Social Media 2: What experiences have prepared you to be a DECA State Officer?

Being a member of DECA has allowed me to serve in many volunteer capacities. Over 1200 people attend our DECA Veteran's Day. There we serve those who have served us. That is what a DECA State Officer does--serve others.

Social Media 3: What accomplishment in DECA are you most proud of achieving?

Placing second and qualifying to attend ICDC both of my years in DECA. Working with team members has equipped me with the skill of working with different personalities to achieve a common goal. Teamwork is important.

Social Media 4: How do you grow the membership of Oklahoma DECA?

Sharing the DECA opportunities with others as demonstrated by Rajan Chitral. Share the achievements of DECA members. Their stories will attract others to the organization. Share in person and on social media.

Social Media 5: You have the ability to add something completely new to Oklahoma DECA, describe it.

A one day entrepreneurship conference where members participate in entrepreneurial developing activities and network with success full DECA alumni entrepreneurs.

Social Media 6: Why should people vote for you?

The best Leaders are not always the Loudest Leaders. I believe it is important to listen to the members and then strive to meet their needs. Listening and serving is my best trait as a leader.

Dear Mrs Cavin,

My DECA story began a long time ago when I was just five years old. My two sisters Shane and Shale moved to Latta in 2008 and attended CDC and ICDC. As a child I attended state CDC twice and ICDC in Florida. I've grown up wanting to be a DECA member all my life. My goal is to serve Oklahoma DECA members as a state officer. Thank you Oklahoma DECA for giving to me and now I want to serve you. Attending the Oklahoma CDC this year was the experience I had remembered and more. I was able to network with the Southern Region International Vice President Rajan Cahitrao and our awesome guest speaker John Herrington at our hotel. Good things happen to those who network. Thank you for allowing me extra time to reaffirm my DECA commitment and apply for the Oklahoma DECA Executive Council. I look forward to interviewing with you in the near future.

Dear Ms. Cavin:

I want to thank you for opening up the positions of the DECA Executive Council to be filled because some members had never attended an in-person CDC and did not know the value of the council. After state and visiting with the Southern Region Vice President it became apparent that Latta DECA did have some very qualified candidates.

I will begin by introducing a member who has been in and around Latta DECA since she was 5 years old. She traveled with her sisters Shane and Shale as they attended CDC and ICDC. She has always had a goal to be A DECA State Officer. In 20-21 Shannon transferred to Latta from Vanoss where she had been a BPA member. She was a Latta BPA /DECA member last year and won 2nd at State CDC in Business Operation Retail Project. She attended ICDC virtually. She made the virtual ICDC special for her fellow DECA members by providing some special activities with it.

Shannon Page thinks of others. She is a strong listener and a cheerleader of DECA members. This year she won 2nd in Business Solutions as she used Facebook to attract 5th and 6th grade students to Career Tech classes. Shannon will take her job seriously and she values her DECA members. She will be a dedicated DECA Executive Council member and Latta DECA will support her. Thank you for your support.

DECA-Cated,

Stacy Oakley

Ms. Cavin:

It is my pleasure to recommend Shannon Page for a position on your state DECA officer team. Shannon has been a student in my Pre-AP English I and II. She has many outstanding qualities, but one of her prominent strengths is that she is a team player. Shannon has a dynamic work ethic and is not afraid to put in extra time and effort to be sure the job is done to the best of her ability. Although she has up-front leadership potential, she is very comfortable performing "behind the scenes" and allowing others to have center stage. That is an impressive quality in today's world where many of our students scramble for the spotlight. She works just as hard even though she may not get "credit" or accolades. She has an internal drive to simply do her best and serve others. Shannon is an integral part of our Latta student body. She has only attended Latta for two years, but has jumped right into our organizations through DECA and she is also a member of our cheerleading squad. Shannon would be a wonderful addition to your state officer team. Please consider her as you are making plans for the future.

Sincerely,

Tammie Byrd
